Dear Kelly:

We recently had an opportunity to review the history of our association with your organization, in particular, the support rendered in the area of security.

I am sure you are aware that we have regarded our relationship with [] and his staff as an unusually fine example of Government-private industry cooperation. This relationship has been extremely satisfying to those members of the staff directly involved. Without the large measure of mutual trust and assistance that has been extended, the activity in which we are currently engaged could not have been so successfully accomplished.

Though we are a long way from completion of this program, we are at a point where the achievements of [] and his staff are clearly evident. I wish to take this opportunity to express my personal appreciation to you and members of your Plant Protection Staff.

Inasmuch as this demonstrates a portion of your total company effort, you may choose to bring our appreciation to the attention of your president.

Very sincerely yours,

/s/
Dick B.
